All terms and conditions included in the job order will apply equally to all workers, domestic and foreign, employed under this job order.

Item 11. Wage Rates/Pay Information

Workers are paid weekly. All general production work provided in this job order will be paid by the hour the current AEWR of \$8.85/hour, or at the prevailing wage rate as determined by the Virginia Employment Commission, or the legal federal or state minimum wage rate, whichever is highest. In the event the DOL promulgates a new AEWR during the recruitment or contract period which is lower than the AEWR in effect at time of application, this lower AEWR becomes the guarantee at the discretion of the employer unless there is a prevailing hourly rate higher than the new AEWR.

The employer guarantees to offer the workers employment for at least $\frac{3}{4}$ of the work hours of the total period during which the work order and all extensions thereof are in effect, beginning with the first work day after the arrival of the workers at the place of employment and ending on the termination date specified in the work order or its extension, if any. If the employer offers the worker during such period less employment than required under this provision, the worker will be paid the amount he/she would have earned had he/she, in fact, worked for the guaranteed number of hours. Employee will perform other duties related to this/these crop activities and other tasks required in operating a farm.

If, before the expiration date specified in the work order, the service of the workers is no longer required for reasons beyond the control of the employer due to fire, or other Acts of God, such as frost, flood, drought, hail, etc. which makes the fulfillment of the contract impossible, and the RA so certifies, the employer may terminate the work order and return the worker to the place from which the worker, without intervening employment, came to work for the employer at the expense of the employer.

Employer will provide without charge all tools, supplies and equipment necessary to perform duties assigned.

Unless the employer has amended the date of need no less than ten (10) working days prior to the date of need through notice to the order holding office, the employer will guarantee one week's wages to all workers subject to this order beginning with the anticipated start date.

If the worker voluntarily abandons employment before the end of the job order period or is terminated for job related reasons or misconduct, the employer will not be responsible for providing or paying return transportation and subsistence expenses of the worker.

Employer agrees to maintain adequate and accurate payroll records. The employer will furnish to each worker on payday an itemized accounting of earnings and of all legal and authorized deductions. Social Security, FICA, and FUTA deductions will be made for individual U.S. workers as required by law.

Employer will provide workers' compensation at no cost to workers covering injury and disease arising out of and in the course of worker's employment. Proof of worker's compensation insurance will be provided to Regional Administrator prior to certification date.

Item 12. Transportation

For workers who complete 50 percent of the work period, the employer will reimburse the worker for costs incurred by the worker for transportation and reasonable subsistence from the place from which the worker came to work for the employer to the place of employment. Subsistence will be in accordance with current rates published in the *Federal Register* (for workers with and without receipts.) The amount of the reimbursement for transportation shall be the worker's actual cost, but no more than the most economical and reasonable similar common carrier transportation charges for the distance involved.

If the worker completes the period of employment, the employer will provide or pay for the worker's transportation and reasonable subsistence from the place of employment to the place from which the worker came to work for the employer, except when the worker has accepted subsequent employment with another employer who agrees to accept the return transportation costs, in which case this employer only pays for the transportation to the next job.

For the purposes of the above requirements the "period of employment" shall be the period from the first workday the worker is at the employer's farm and is ready, willing, able and eligible to work until the anticipated ending day of employment in Item 6.

Reimbursement of inbound and return transportation costs applies only to persons recruited from outside normal commuting distance (to and from their permanent place of residence each day; see page one). Return transportation will not be provided to workers who voluntarily abandon employment before the end of employment period or who are terminated for cause.

~~The employer will provide transportation at no cost to the worker from the employer provided~~
housing to the worksite and return on a daily basis. Such transportation shall be in accordance with applicable laws and regulations. The use of this transportation is voluntary; no worker will be required as a condition of employment to utilize the transportation and subsistence if applicable.

If the services of the worker are no longer required for reasons beyond the control of the employer due to fire or other acts of God such as frosts, flood, drought, hail or the like which makes fulfillment of the work period impossible and Regional Administrator so certifies, the employer will provide reimbursement for transportation and daily subsistence from the place of recruitment for covered employees.
